ONE CALL TO HELP NAVIGATE CITY GOVERNMENT

When things happen, sometimes you don't know where to turn. It could be a construction truck blocking an entryway or a utility issue. The Business Retention and Expansion Manager is your city contact to find resolutions to keep your business moving forward.

READY TO ATTRACT THE BEST

We can connect you to free resources to help you find and hire employees. We work with several partner organizations to help employers find and develop the talent pool they need.

TARGETED TRAINING AVAILABLE

Looking to become a second chance employer? Looking for those tax breaks you may have missed? We can assemble a roundtable, make connections, or bring in subject matter experts to train business owners on how to get the most out of every hire.

CONTRACTORS LIST*

If you are a business serving the construction industry (painting, construction, architect, windows, doors, electric, etc) sign up to be on our contractors list. Why? When commercial property owners apply for the City's façade incentive, they receive points if they choose to hire a Covington contractor. We need to know who you are! Email the Business Retention and Expansion Manager to be added to the list.

**This list shall not constitute an endorsement, recommendation, or referral to any contractor listed thereon by the City of Covington.*
